APMEN and the 1st Malaria World Congress Statement of Actions

Effie Espino, APMEN
APMEN Objectives

- Contribute to evidence that facilitate and support work and action in areas that are unique to Asia Pacific, and that impact on malaria elimination in the region
- Targeted human resource capacity development

APMEN Mission

Address critical barriers of direct programmatic relevance in areas of need not otherwise addressed

Adapt and respond to changing malaria landscape and evolving priorities

Continue to provide an open forum for collaboration

Platform for knowledge and information management and sharing

Partner institutions

Country partners

DFAT, Australia

BMGF

Sumitomo Chemical
SOUTH-SOUTH COOPERATION - from CONTROL to ELIMINATION and to POST-ELIMINATION

Challenges and bottlenecks

Targeted research

Knowledge and information management

Innovative networking
